AT the beginning of the year everybody was excited to see the Viking Varsity rated number eight in the city. But looking up a little further you would see Granada Hills, and San Fernando, two other Mid-Valley schools, rated three and four. Knowing the strength of their mid-valley league counterparts co-coaches Frum and McKenna had to come up with an explosive offense. Monroe came up with a fantastic passing attack led by quarterbacks Guy Owen and Bart Andrus and receivers Roger Guyton, Daymond Cowlah, Chris Taylor and Al Torres. Defensively, Monroe had experience up front with returning starters Chuck Ernst, Jess Livitski, Wayne Beck, and Jim Slevin. This group, along with other line-man, was second in the valley against the run.

An injury prone varsity football team would end the season with an average five and four record losing three of its games to top ten rated teams in the city.

Bee coaches, Raymond, and Sherman.

For the second straight year, and SIX out of the SEVEN years, coaches Raymond and Sherman have led the Vike Bees to the championship. This year the Vikes seemed to dominate every team they played, and went undefeated. Monroes first game, a 32-0 crushing of Fremont was a sign of things to come for Vike opponents. In the next game, Monroe, led offensively by Todd Mazy, and Jeff Ward, and defensively by a trio of good 10th grade linebackers Rob Bernardi, and Tim and Tom Garcia, defeated Taft 19-6 (the only points scored against Monroe all year). The Viking Bees would go through league play shutting out every opponent in impressive fashion. Monroe ended a unbelievable season with a fantastic ratio of 214 points for and 6 against.

The Varsity Team placed third in the Mid-Valley League standings. Though the team had two returning lettermen, from the City Champion 73 team, it was basically a young team from the stand point of experience. The team improved throughout the season and each individual finished the year by running a good time.

The team was composed of lettermen Ronald Russell and David Kelley, plus new members Mike Bernstein, Marty Orta, Chris Pascone, and Mike Drew. Russell and Bernstein were the two outstanding members of the team and each one led the team to a victory over an opponent. Russell finished the season placing 23rd in Los Angeles City Finals; while Bernstein ran with the 10th Grade team, after League competition, and became the 10th Grade City Champion.

The Junior Varsity team finished third in the Mid-Valley standings. The team was led by Scott Sloan and Steve Moulton. This team was typified by its steady improvement throughout the season. Along with Scott and Steve, other members which made this season successful were Donna Demarest, Steve Lulich, Lance Strumpf, Steve Masucci, Don Levites, Fernando Rosas, Rhunold, and Margie Corbett. Margie had the fastest time in the city for a girl participant.

The Tenth Grade team finished second in the Los Angeles City Championships. Mike Bernstein was the leader of this team. He won the Los Angeles City Championship and his time of 10:25.0 put him well ahead of the second place finisher. Grant Spangler, Ron Allen, Scott Hayman, Jeff Stardahl, Joe Seguin, Rick Whalen, Scott Wilson, Walter Philips, Bob Mills and John La Quesne all contributed to the team's success.

Darryl Brown had unbelievable success last season when he finished third in the state in the 220 yd. dash and will be even better this year.

Monroe went to unbelievable heights last year when they captured the 1974 CITY-CHAMPIONSHIP, their second in four years. The Vikes will be shooting for Dodger Stadium again this season with a fine group of returning starters led by Phil Belmonte, Mike Holden, Wendall Worth, Howie Houk, and Pat Estrada.

The Mid-Valley League again should be one of the best in the city with the arrival of Kennedy High School.

Dr. Clifford Davis, Principal

Change continues to be the "Status quo" at James Monroe High School. While some change is necessary if our program is to remain viable and dynamic, one of the responsibilities of your administrative team is to insure that change is orderly, evolutionary, and improves the total educational program.

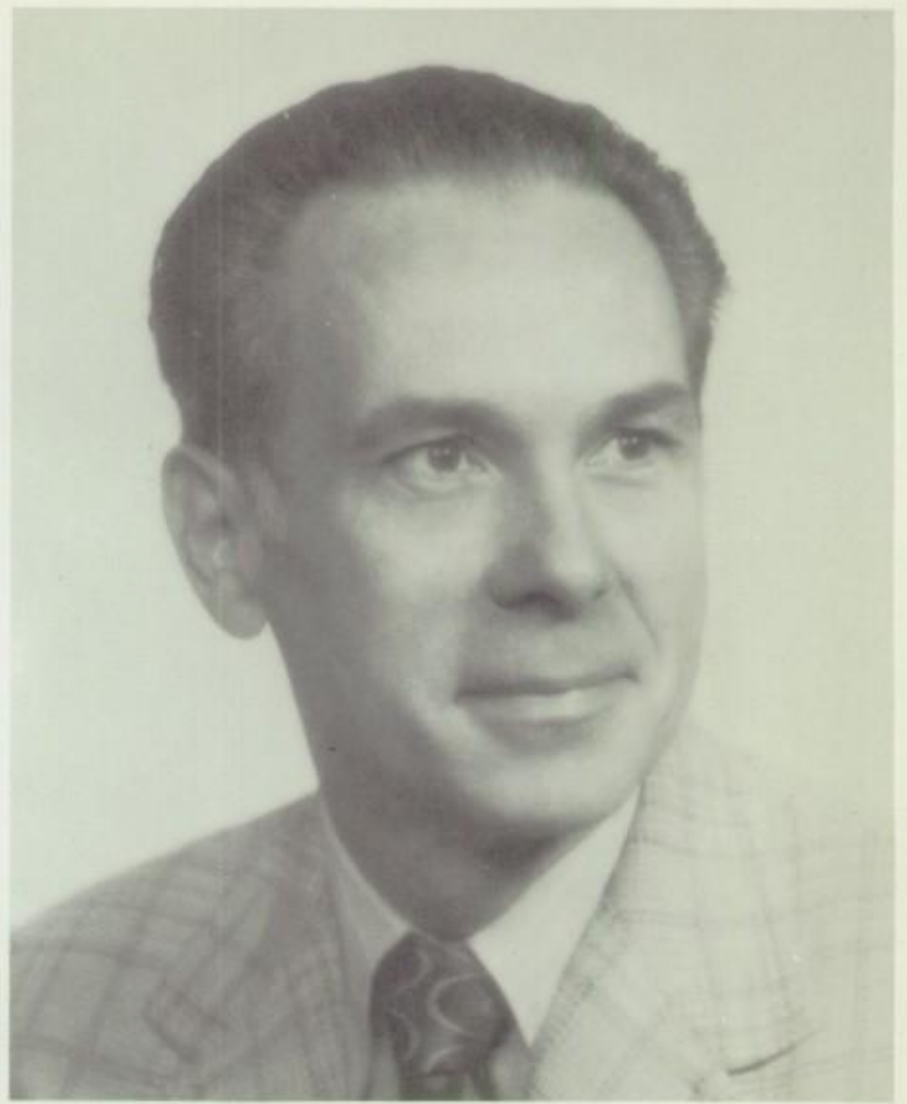

Significant changes made during this past school year included the implementation of our School-Within-A-School (SWAS) program, the opening of the new Viking Galley, the introduction of coed physical education classes through the merger of our two physical education departments, and the participation by some of our students in a special class, "Justice and Youth" sponsored by the Constitutional Rights Foundation. Other changes which affected our program included a drop in student enrollment leading to a reduction in the teaching staff, and the removal of additional bungalows from the campus.

Another event of note occurred when a Senior, Brett Travis, invited Mayor Thomas Bradley to visit our campus last January. The Mayor came and spoke to more than 500 of our students at a special, invitational assembly, which was enjoyed by all who attended.

Positive growth and development of our quality educational program is a joint responsibility. This will require the continued support of our PTA and Community Advisory Council, plus the cooperation and assistance of students and staff. We feel sure that by working together in the "Change process" every Monroe student will have the opportunity to "Achieve With Honor."
